RE: Amended Notice of Intention to Commence Small Mining Operations, Byron Muir and Curt Allred, Vicksburg Group, S/001/0079, Beaver County, Utah

To: Paul Baker, DOGM Minerals Program Manager

Dear Paul;

We are requesting to amend our pending notice for a small mine permit as follows:

1. Pilot Plant Phase I (0.574 Ac.) and Mine Site (0.459 Ac.) are the only areas being considered for a permit at this time.
2. Pilot Plant Phase I (0.574 Ac.) to be used for stockpiling and crushing of raw ore from the Mine Site only.
3. Onsite leaching and/or processing is to be excluded from our small mine permit application at this time.
4. DOGM as well as the DWQ will be notified if we have any future plans to conduct onsite processing, leaching or concentrating.

Thank you,

Byron Muir

Curt Allred
